**Bob West, CEO and founder at Echelon One, Joins AirPatrol's
Commercial Advisory Board**

Columbia, MD – December 07, 2011 - AirPatrol Corp., a leader in wireless security, is proud to welcome Bob West to its Commercial Advisory Board.

Besides holding the position of CEO at Echelon One (executive security and risk services firm), Bob is a frequent speaker on the subject of information security and risk, cloud computing, database security and on global policy issues such as payment fraud and critical infrastructure.

“Bob has only recently been added to our Commercial Advisory Board and has already proved to be an excellent resource and advisor to the AirPatrol team,” said Bradley Rotter, AirPatrol’s Executive Chairman. “AirPatrol is thankful for Bob’s current contributions and looks forward to our continued relationship.”

Bob is responsible for creating and executing Echelon One's corporate strategy. Bob received the 2004 Digital ID World Conference award for Balancing Innovation and Reality, and was a nominee for the ISC2 Senior Information Security Professional of the Year, 2011. Previously, Bob was Chief Information Security Officer (CISO) at Fifth Third Bank in Cincinnati where he was responsible for the enterprise information security strategy.

“I’m excited and honored to be affiliated with not only a stellar group of people but also a company that has the potential to be transformative in protecting the mobile ecosystem,” stated Bob. “I look forward to collaborating with the AirPatrol team and helping build a great company.”

About AirPatrol Corporation

AirPatrol is the first and only security company whose technology can continuously monitor any mobile device on cellular and Wi-Fi channels in an enterprise, determine its compliance with security policy, enforce the appropriate policy on the device in real time and dynamically empower the device’s capabilities for the situation regardless of who the user might be. AirPatrol offers a comprehensive suite of location-based management solutions that enable clients in the government, financial, healthcare, corporate and retail sectors to keep pace with the expanding security requirements of an increasingly mobile world. www.airpatrolcorp.com.
